Be home early
Don't come in late
You're only a sophmore
Let's not debate
Your not like your brother
Your not like your friend
They may stay out late
But your comming in
I'm doing it for your sake
I hope your not mad
I just wish you'd remember
It's hard being a dad

Molokai High '80 - '81

It's just one step to the future...

Retirement

Mrs. Helen Takeo

How does a person say Aloha to someone whose very being is forever a part of what is left behind? The body may leave but the spirit is forever a part of our future. So it is Mrs. Takeo, that despite your departure your very spirit will continue to inspire us. You have given us your life, it isn 't enough what we return.

As you look forward, for this will be the dawning of a new age for you, you will do so with a satisfied demeanor. You have served the world with love, devotion, and dignity. The rest of the many days ahead can only be more golden.

We will miss you, dear lady!

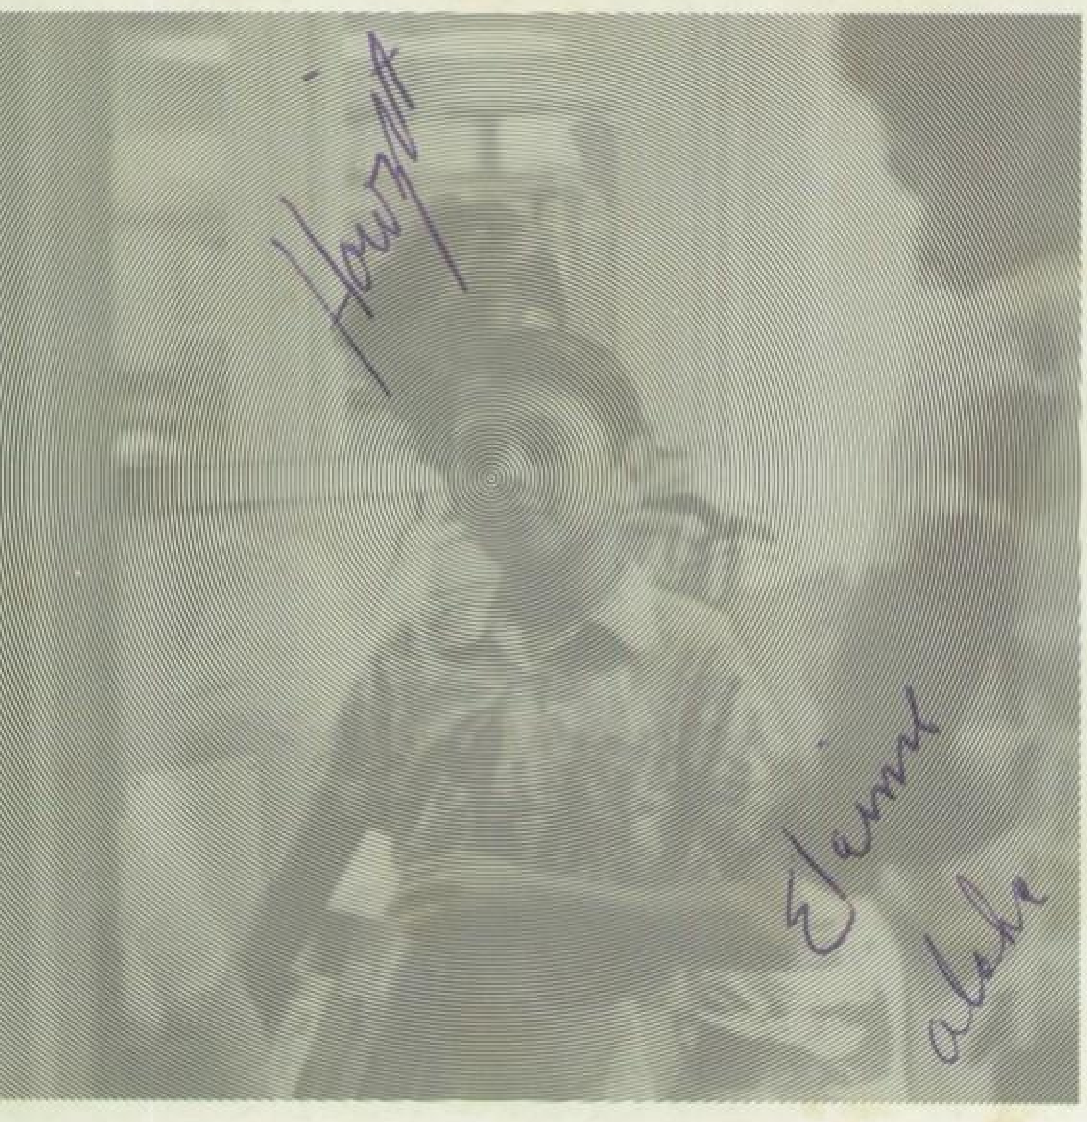

Student life

One phase to remember...

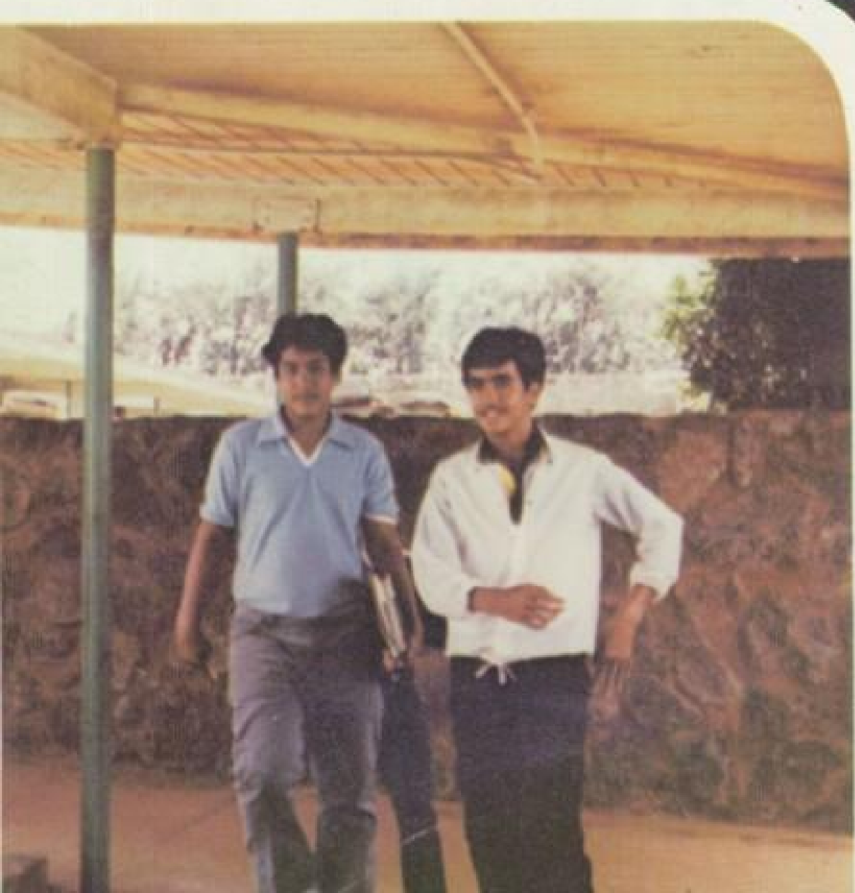

We are all a family of friends...

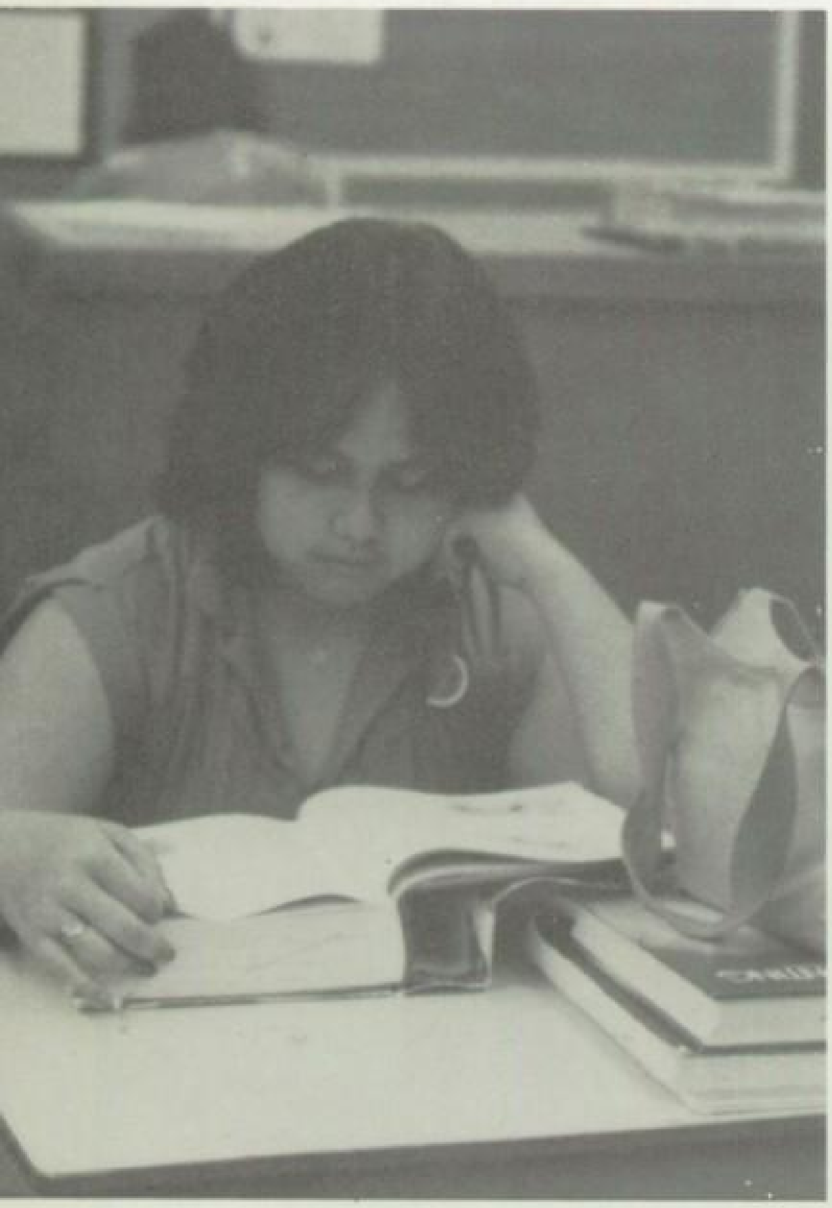

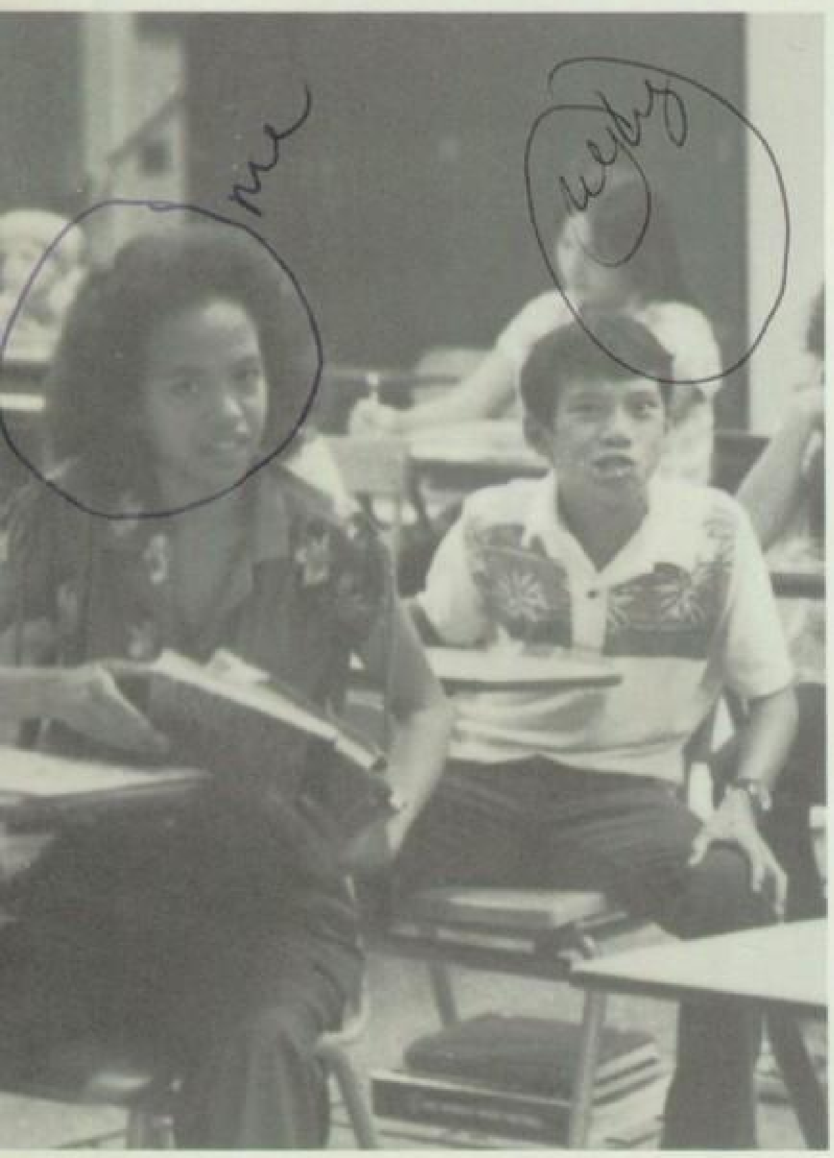

Living and growing together...

In the evenings were reading and writing...

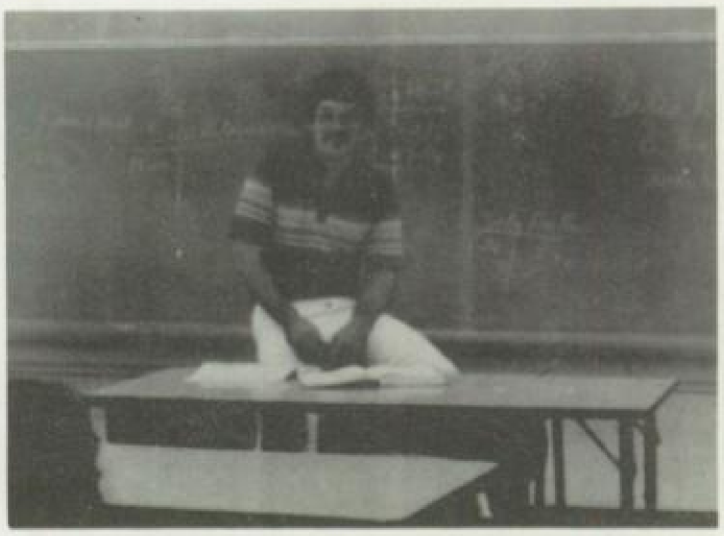

early mornings beating the sun...

DEDIC

Being a Senior class advisor is not an easy job. As every senior knows, your last year in high school is a hectic one, filled with problems. But they are soon forgotten for at the end of the school year all we have are good memories. Through this last year we have had the senior advisors to whom we could grumble, to help us with our activities, and most of all to guide us. For this we are most thankful, therfore the senior members of the 1980-81 Yearbook Staff proudly, dedicate this annual to the Senior Advisors.

High School Days

The years have gone by quickly
Soon we'll go our separate ways
Lets share these special moments
To remember our high school days.
In 7th grade we were rascals
Who would giggle, push, and shove.
Grade 8 we started experimenting
With make-up, cars, and love.
9th grade we felt much older
So we started playing the game.
During 10th we knew better
'Cause thats when the heartaches came.
11th grade brought togetherness
We all grew very near.
And now in 12th we've realized
The end is almost here.
So gathered here beneath the stars
Stands the class of "81"
And although our high school days
Are over:
We've Only Just Begun!

HANDBOOK & CONSTITUTION

7th - 8th Grade ACTIVITY

ASSEMBLY

Throughout the school year the members of the student council (executive boards, class officers and committee chairpersons) worked together to plan activities and made them happen.

They planned assemblies for our activity periods and sponsored dances and movies.

They participated in the walkathon. They collected canned goods for the Thanksgiving Goodwill project and decorated the hospital at Christman.

As the Leadership project a logo contest was sponsored the winning logo will be seen on the T - shirt of the Student Council.

CHRISTIAN CLUB

Advisor:
Mrs. Makahanaloa

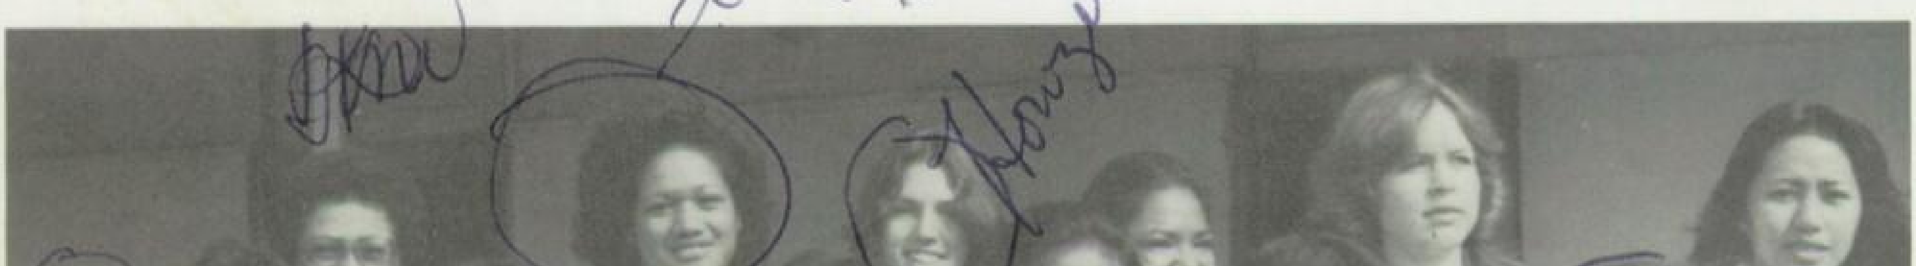

The purpose of this club is to get the christian students together and be acquainted with one another. We usually meet every week to sing, share special experiences and to discuss things we can do for our community that will show the love of God in us. We also have fellowship picnics so we can just talk about God and enjoy christian company.

CASHIERS

Money! Money! Money! Once upon a time there was a bunch of kids who got kicks from money, money, money! Each day they met at the food place where they grabbed like half-starved vultures, shiny bright quarters from children's hands. When they got a whole lot of quarters they would put them all together and wrap them up so very carefully and give them to the head money vulture down to the office. All these and money grabbers would spend long hours dedicating their time to grabbing more quarters.

Advisor Mrs. Inouye

The vocational agriculture-FFA Program of career education in agriculture-strives to match the student's skills and potentials with likely opportunities.

As part of an FFA'ers vocational agricultural education, the student-member discovers the ever expanding career opportunities. It will take trained producers, processors, marketers and distributors to be sure Americans get enough food to eat in the future.

For FFA members, the key to their success in life is vocational agricultural education. This sound program is headed by the local vo-ag instructor, Mr. Takeshi Shizuma, chapter advisor. The program prepares the student-member for tomorrow's agriculture. These young men and women in FFA will be ready for the future.

The Newswriting class this year has put all its efforts into this year's newspaper-the best yet. It was made up of 18 students. These students have learned how to take interviews, evaluate people's opinions, write editorials, and etc. This year's newswriting staff has hoped everyone enjoyed the "KE KUKUI O MOLOKAI" newspaper. From all of us on the staff we wish you the best in the up coming future.

'FACULTY'

To the class of 1981—

Your years at Molokai High School will not be forgotten. The contributions you have made to the school will live on after your graduation. We have prepared you, to the best of our ability, to enter the adult world. We hope you will accept the challenges, fight the battles and be survivors. The best of luck to each and everyone of you.

Sincerely,

Ron Kula
Principal

Mr. Gillia
Vice Principal

Congratulations to the class of 1981 for achieving the first of many major goals in your lives. You're all seniors, ready to graduate. As we all know, graduation is a time for jubilation. It is also a time to think about your lives. What will you do or be? Where will you go? These are questions asked by many seniors after graduation. Unfortunately, by then it's too late. Once you enter the world of unknown and adulthood there's no turning back. What you get out of life depends entirely upon your own intuition and skills. Hopefully you will be able to realize your goals Molokai High has provided you.

Look among yourselves class of 1981. That has really happened?

Yours Truly,
